

Solution Architect

Flexagon is on an exponential growth trajectory, driven by the excellence of its employees and ability to deliver exceptional customer satisfaction with our products and services. Our Fusion Middleware based consulting services are centered on Custom Development and Integration with Oracle ADF and SOA. Our Application Release Automation product, FlexDeploy, is at the forefront of the DevOps and Continuous Delivery movement. Join a team of fun and driven professionals as we change the world of software development and delivery.

As a Solution Architect, you will work closely with our clients to design and deliver solutions, making sure work products and deliverables are of the highest caliber. You will apply subject matter expertise to identify, develop, and implement techniques to improve engagement productivity, increase efficiencies, mitigate risks, resolve issues, and optimize cost savings and efficiencies for each client.

Responsibilities:

- As a technical/project lead or project member, handle complex development assignments involving custom development and integration with 3rd party applications and services.
- Interpret architecture and design considerations, leading program design, implementation, reviews, and mentoring activities.
- Implement and evolve best practices associated with development, testing, and support.
- Lead and/or assist in the evaluation and implementation of new technology initiatives.
- Develop enhancements to the FlexFoundation.

Qualifications:

- 7+ years of experience in full lifecycle software development and support using Java, J2EE including large project implementations
- Extensive hands on experience with ADF Faces and Business Components
- Exceptional software development skills
- Great communications skills
- Prefer experience with WebCenter Portal/Content, Oracle SOA Suite, WebLogic JMS
- Prefer experience with mobile development using JQuery Mobile, Oracle Mobile Application Framework, or other mobile technologies

How to apply: Submit your cover letter and resume to info@flexagon.com

Flexagon is an Equal Opportunity Employer. Flexagon is committed to ensure that all current and prospective associates are afforded equal opportunities and treatment and a work environment free of harassment.
